

**Gabriel E. Jalkh, PhD.**

**Information Science Professor & Consultant**

**Current Address:**

Gaby Jalkh Building, Bahersaf, Bickfaya Lebanon Tel: 03-841-208 04-983-800

E-mail: [gabyjalkh@gmail.com](mailto:gabyjalkh@gmail.com)

---

**SUMMARY OF QUALIFICATIONS**

**25 years of Industry Experience in Management.**

**35 years in Teaching Computer Science & Information Science.**

- Demonstrated innovative and dynamic teaching methods. Proven experience in computer application construction and the management of information systems development.
- Developed, documented and distributed policies and procedures relative to the effective and efficient operations of academic services functions, programs and initiatives.
- Accomplished lecturer, teacher, instructor, and dedicated scholar.
- Received consistently glowing evaluations from students and supervising administrators.
- Core competencies in computer science, information science, data collection, statistical analysis and interpretation, research project management, management of information systems.
- Implemented and administered information systems auditing policies, procedures and programs.

**EDUCATION**

University of Missouri, Missouri USA

**Ph.D. in Computer Technology/Information Science**

**1990**

Honors: Passed with Distinction

University of Missouri, Missouri USA

**Ph.D. in Computer Engineering/Computer Science**

**1987**

Honors: Passed with Distinction

Central State University, Oklahoma USA

**M.S. in Library & Information Science**

**1976**

Honors: Passed with Distinction

**AWARDS**

**AAPA INFORMATION TECHNOLOGY AWARD 2012**

**LITA/Library Hi Tech Award : Outstanding Communication for Continuing Education in Library and Information Science 1987**

**ASIS INFORMATION SCIENCE AWARD 1986**

---

**TEACHING EXPERIENCE**

**Lebanese University, Lebanon** 1996-2014 Professor/Head of Information Science Dept. and Computer Science Dept.

**ISAE – CNAM University** 2007- 2010 Director/Professor

**World Bank/Middle East Division Washington DC,** 1994-2004 Information Technology Manager/Consultant/Auditor

**Washington University, St. Louis, MO** 1987 – 1992 Dean/Professor Faculty of Computer Engineering

**PUBLICATIONS AND PAPERS**

Introduction to Computer Science, Library Science, Re-Inventing Library Services, Managing IT Center, Introduction to Information Science, How To Automate A Library, Application Design, Library, the Book.

**CONFERENCES WITH PUBLISHED PROCEEDINGS**

"Computerized Quality Control Reduces Rejects." (St. Louis University Journal, 1994),

"Dynamic and Systematic Learning Methods." (American University 1995)", Integrating Management Studies into a Capstone Software Engineering Course," Proceeding. (A.U.B. Beirut, Lebanon 1994)

"An Intelligent Test Data Generator for Software Branch Coverage." Proceedings of the International Conference on Software Engineering and Knowledge Engineering, (Paris, France 1996)

**MEMBERSHIPS**

Information Technology Association of America

Information Technology Professionals, American Library Association
